MR. BRADLEY  
FESSEDEN

DANNY  
SECHRIST

In Memoriam:

Mr. Bradley Fesseden came to Pierceton in 1964 and taught shop, electronics, and mechanical drawing. Danny Sechrist attended Monroe Grade School and then spent his 7th and 8th Grade years at Pierceton. Each was a part of our school and will be long remembered by all.

*SCHOOL LIFE*

I opened a gate  
to a world for me.  
It invited me--Look,  
dream your dreams, see what COULD be.  
But ahead was the path to knowledge and power  
filled with moments of joy and also, despair.  
Gateways are open  
if only we LOOK.

Pause--

Enter the Gateway

--to friendship

working to make the prom just a little bit better than  
last year's  
stopping to help someone pick up the books he has dropped  
gossiping in the restroom and locker rooms

--to culture

beaming with pride when someone says, "Isn't that a gorgeous  
painting?" and knowing it's YOURS

--to knowledge

poring over books at exam time  
learning to accept disappointment when you weren't elected  
cheerleader or student council president  
winning a Times-Union WRSW award  
possessing within yourself ideals to build on, but being  
mature enough to know that some of your ideals will  
merge with reality along the way

A gate is a two-way door.

Keep your eyes looking forward,

not backward

and you will find a challenge at every crossroad.

laughing at Mr. Swigert's puns in government

You to the left and I to the right,  
For the ways of men must sever--  
And it well may be for a day and a night,  
And it well may be forever.  
But whether we meet or whether we part  
(For our ways are past our knowing)  
A pledge from the heart to its fellow heart  
On the ways we all are going!  
Here's luck!  
For we know not where we are going.

With a steady swing and an open brow  
We have tramped the ways together,  
But we're clasp hands at the crossroads now  
In the Fiend's own night for weather;  
And whether we bleed or whether we smile  
In the leagues that lie before us,  
The ways of life are many a mile  
And the dark of Fate is o'er us.  
Here's luck!  
And a cheer for the dark before us!

Though prejudice perhaps my mind befogs,  
I think I know no finer things than dogs:  
The young ones, they of gay and bounding heart,  
Who lure us in their games to take a part,  
Who with mock tragedy their antics cloak  
And, from their wild eyes' tail, admit the joke;  
The old ones, with their wistful, fading eyes,  
They who desire no further paradise  
Than the warm comfort of a smile and hand,  
Who tune their moods to ours and understand  
Each word and gesture; they who lie and wait  
To welcome us--with no rebuke if late.  
Sublime the love they bear; but ask to live  
Close to our feet, unrequited to give;  
Beside which many men seem very logs--  
I think I know no finer things than dogs.

The awarding of ribbons somehow instilled a great amount of determination in our junior high Cubs who were victorious in four out of five cross country meets. Such runners as Armando Espinoza, Dan Adkins, and Henry Espinoza were often leading the field as they crossed the finish line.

A potentially strong Cubs baseball team was hampered by the loss of starting pitcher Karl Steffen who ran into sore-arm trouble. The team managed to put together some strong hitting and fine fielding, while Rick Robinson came on late in the season to pitch fine ball, enabling the junior Cubs to break even in six games.

# BASEBALL

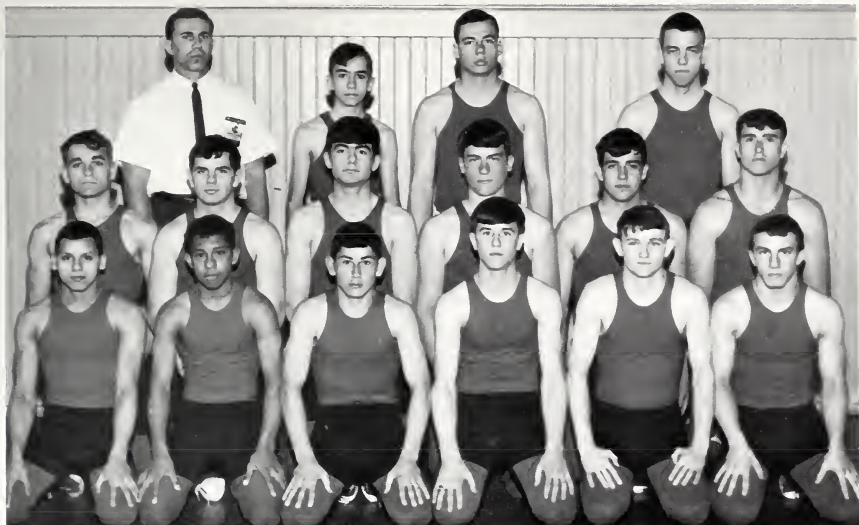

ROW ONE, Left to Right: Roland Espinoza, Rex Westler, Steve Shear, Max Menzie, Bill Keener, Lewis Kreger, Jeff Rager, STANDING: Phil Menzie, Mike Kubacki, Bill Kubacki, Kim Shoemaker, Brad Schuldt, Kent Cone, Bruce Sweethimer, Coach James Irwin.

The Pierceton baseball team finished in a tie for second place in the county with a record of 5-2. The two losses came at the Lands of Larwill and County Champ Akron. There were many hi-lites of our fall season Brad Schuldt pitching a perfect game against North Webster. Bruce Sweethimer hitting a two out triple against Milford in the last inning driving in the winning run. Lew Kreger won the batting trophy with an average of .390.

SECTIONAL CHAMP

Capping an outstanding season for our wrestling team was Chuck Collier, participating in the regional meet at Fort Wayne, as a result of his first in the sectional meet at Elkhart in February. Chuck, wrestling in the 120-lb. class, also won his first match at the regional meet in Fort Wayne, but was defeated by Baumgardner of North Manchester in his second match. This gave Chuck a record of 19 wins and only 4 losses.

With a season record of 12 wins and 2 losses, Pierceton placed third in the Sectional out of a field of 13 teams, with Elkhart and Jimtown ahead of us. In addition to Collier, the following wrestlers placed in the sectional meet at Elkhart: Rudy Espinoza, 2nd in the 98-lb. class; Lew Collier, 2nd in the 148-lb. class; Stan Smith, 3rd in the 136-lb. class; Phil Gates, 3rd in the 183-lb. class; Roy DeLaCruz, 4th in the 106-lb. class; and Gary Hostetler, 4th in the 141-lb. class.

Summer Band had a successful year receiving a second rating at the Mermaid Festival, a first rating at Warsaw, and a first rating at Columbia City.

This year was the first year the Concert Band did not go to contest. This was because the contest was at the same time as Spring Vacation. The Concert Band did present its annual fall, winter, and spring concerts.

The Dance Band received a fifth place rating at the State Fair last year. The Dance Band also played at the Basketball Queen Coronation last December.

The Pep Band played at the home basketball games.

Winter Concert

*FACULTY*

First of all, do your best to hang on to your dreams and ambitions.

Remember that there will be only a few days that you will finish with the satisfaction of a job well done. Most days are filled with a round of irritating duties and with problems of concern that you must take care of one way or another. Sometimes you will work surely and efficiently. At other times you will stumble and blunder your way through a maze of mistakes. In other words, the going gets rough for all of us at times.

So find comfort in the fact that Tomorrow is always a new day when you can begin again.

Remember that ahead of you there stretches a lifetime of TOMORROWS and each of them starts with just one step--forward.

Our most valuable possessions are those which can be shared without lessening: those which, when shared, multiply.

Thank you, Miss Yontz, for sharing.

## FRESHMAN CLASS

The 1967-1968 Freshman class started the year by electing class officers. During the basketball season our class elected Colleen Collier for our queen attendant. Rocky Stone escorted her. We were proud to have several boys on the B-team. We went to see a movie for our class party in the spring. The Freshman class really enjoyed our first year in high school.

We may talk to a friend,  
Or search privately  
Through the pages of a book  
To learn from the sea  
Of past experience,  
For here we find guidelines  
For the Future--  
Sometimes deep and frightening,  
But always beckoning  
With reflections  
Of hope and of promise.  
Thus, we live not only  
In the Present.  
For all that has gone before  
And all that should come after  
Is mirrored in our lives as

Reflections . . .

Of the Past,

In the Present,

For the Future.
